# **Landfill and Citizen Collections Stations to close for July Fourth holiday**

## **Trash and recycling collections will not be affected**

**EL PASO, Texas** – In observance of the July Fourth holiday, the Environmental Services Department (ESD) will close the Greater El Paso Landfill and its Citizen Collection Stations (CCS), or drop-off sites. Both facilities will resume their normal hours on Monday, July 6, 2015.

Please be advised that ESD will **not** be changing its trash and recycling collection schedule for the upcoming holiday. We ask that you continue to follow your regular schedule and place your bins out for collection.

The efforts of the Environmental Services Department support the City's strategic goal to nurture and promote a healthy, sustainable community. For more information on the services offered by ESD, please visit [www.elpasotexas.gov](http://www.elpasotexas.gov) or call 3-1-1.
